ABOUT US

Ashrita Bio Foundation (ABF) was set up in 2010 as an independent registered society by the State Government and engaged in creating awareness amongst academia & industry in the domain of Environment with special emphasis on Waste Management aspects. **Ashrita Institute for Waste Management & Research Private Limited (AIWMR)**, a need of an hour novel institute innovated as a byproduct of Ashrita Bio Foundation will serve as a professional enterprise to support the Government, Academia & Industry in creating an impetus in the field of Waste Management. It is engaged in applied front line services to students, staff, developing managers, growing professionals, NGOs, Corporates, Officials & other Institutions serving as ESP's (Environmental Service Providers). It is a first of its kind of premier Consultancy, Training & Research Centre in Waste Management in the state of Telangana, India.

The institute is an ISO 9001 certified organization & is aimed to be a part of Green Economy & develop Eco warriors for better sustainable living. AIWMR extends advocacy in the area of environment protection to industries, regulatory bodies, Government Organizations and NGOs and works towards bringing about change for a more balanced environmental development. Our mission is to create an Industry Academia Congress in Environment & Waste Management. We strive to achieve poverty alleviation through employment generation, human development and sustainable environment management.

Subject: Post Event Thank You Letter for being the Resource Speaker on the UAP Abu Dhabi Chapter 5th CPD Seminar

Dear Engr. Gade,

Greetings!

On behalf of the United Architects of the Philippines Abu Dhabi Chapter, our Chapter President Ar. Rodel Ayala and Chapter Secretary Ar. Leonila Robledo-Hasan, I would like to express our appreciation to you for being the resource speaker on the recently concluded UAP Abu Dhabi Chapter 5th Continuing Professional Development (CPD) Seminar, with topic "Understanding, Approach & Attitude towards Waste Management (an Architectural Insight)".

It was extremely informative, and we appreciate you personally taking time to provide us with the timely information. The positive responses to the seminar are a reflection of your profound knowledge to the subject and DULSCO's credibility within the industry.

We truly appreciate professionals like you who are willing to give their time and technical expertise to inspire and enrich young talents that are relevant to the changing built environment.

Once again, thank you for making the seminar successful, and we appreciate your continued support.

Sincerely,

Respectfully Yours,
